

# KARIBAN

**HAUPT EIGENSCHAFTEN:**

**This catalogue presents 95 new products launching in 2026 across all Kariban Brands ranges.**

The collection is developed to support professional use cases in retail, hospitality, workwear, events, sports, and corporate environments. It provides a structured, practical offering designed for personalisation, range consistency, and reliable brand implementation.

Intended for agencies, resellers, and professional organisations, the selection supports efficient project execution from product choice to final delivery.
