

Mumbles

HAUPTEIGENSCHAFTEN:

Mumbles plush toys combine irresistibly soft materials with outstanding customisation potential. Since 2004, the brand has been creating high-quality plush products designed for gifting, retail, and promotional use. The collection includes classic bears, Zippies, PrintMe's, Squidgy's and SquidgeMe styles, all developed for professional decoration such as printing, embroidery or sublimation to achieve a consistent, premium finish.

All toys are tested to the European EN71 Toy Safety Standard and carry CE and UKCA markings. Each product undergoes thorough safety and durability testing to ensure it is free from choking hazards. Most styles are suitable for all ages, with any specific age guidance clearly indicated on individual product listings.
