B&C TM055 TRIBLEND /MEN

Outlet

New

MAIN FEATURES

130 g/m²

The B&C TM055 Triblend /men fits perfectly, featuring a crew neck, short sleeves and side seams

This supersoft men's T-shirt is made of innovative Triblend fabric which combines the benefits of its 3 components (polyester-cotton-viscose): it's breathable, durable, ultrasoft and very resilient

The smooth, even surface makes it a perfect printing support for all printing techniques

Thanks to "B&C No Label" solution, it's perfect for rebranding
