

# KARIBAN

## CARACTERISTICI PRINCIPALE

This catalogue presents 95 new products launching in 2026 across all Kariban Brands ranges.

The collection is developed to support professional use cases in retail, hospitality, workwear, events, sports, and corporate environments. It provides a structured, practical offering designed for personalisation, range consistency, and reliable brand implementation.

Intended for agencies, resellers, and professional organisations, the selection supports efficient project execution from product choice to final delivery.
